Dear Young Colleagues,

This year is the 12th Anniversary of the Euroderm Excellence Training Programme: a unique course offered to the best and brightest residents in Dermatology throughout Europe.

Recent meetings have been held in Italy but this year, as in 2014, we will be based in Nice in the South of France.

For this year, the theme is "Insights and innovations in practical dermatology".

The task of the experienced international Faculty will be to provide an "in-depth" and "hands-on" course covering the broad range of dermatological practice.

The ultimate objective is to stimulate your mind, and help foster your goal of being a vital part of the future story of our discipline.

Participating in Euroderm Excellence is a privilege.

Our aim is to provide you with an outstanding teaching programme covering up to date and practical knowledge in the different fields of dermatology and venereology. Moreover, we want to offer the selected Residents an opportunity to share time and experience with their colleagues from all over Europe, and to have a chance to meet face-to-face with a panel of the leading specialists and opinion leaders in dermatology and Venereology.

Therefore, it's my pleasure to invite you to apply for a place on the Euroderm Excellence 2015 programme, to be held on 17th - 21st November 2015 in Nice, France.

Residents - who should be in the last year of their training programme - will be selected under the auspices of the European Dermatology Forum Coordinator for each country.

And not least, we would like to thank our exclusive sponsor Galderma International who makes this programme possible.

We are looking forward to seeing you in Nice in November.

With best wishes,

Professor Chris Griffiths
Chairman Euroderm Excellence 2015
