Statement of the UEMS Section and Board of Dermato-Venereology.

Guideline : Chlamydia trachomatis

We have reviewed the guideline especially from the standpoint of the practicing dermatologist in Europe and according to the SOP's after discussing it within the Guidelines' Subcommittee UEMS/DERAMTO-VENEREOLGY. On behalf of the Subcommittee I would like to present our decision for the **European guideline on Chlamydia trachomatis**

Full formal and final approval by our UEMS section

Looking forward for further cooperation,

Prof. Magdalena Czarnecka-Operacz

President of the Section and Board Dermato-Venereology, UEMS.
